Mr. Bill Robinson  
Martin Marietta Overseas Corporation  
199 Borton Landing Road  
Moorestown, New Jersey 08057-3075

Dear Mr. Robinson:

The Defense Investigative Service (DIS) takes great pleasure in presenting you with this

**LETTER OF COMMENDATION**

in recognition of your outstanding efforts in designing/maintaining a highly-effective automated document and media control system at the System Test Analysis Equipment (STAE) Facility, Sasebo and Yokosuka Navy Base, Japan.

Your strive for excellence exemplifies the dedication and professionalism critical to the furtherance of our National Security. Congratulations on an outstanding effort.

Sincerely,

A handwritten signature in brown ink, reading "Richard A. Kraighman", is positioned above the typed name.

RICHARD A. KRAIGHMAN
